

Policy Regarding Cheating

It should go without saying that cheating, in any form, is not tolerated. Any act of cheating will be promptly brought to the Competition Coordinator for review, evaluation and imposition of possible sanctions. Everyone must understand if someone is proven to have cheated, it is the Competition Coordinator's discretion to disqualify not only the person caught cheating, but he/she may also disqualify the entire team. To act otherwise, would compromise the integrity of the competition.
