Kagan Structures for Cooperative Learning & Active Engagement

Visalia, CA • June 25–29, 2012

For Grades K–12

Structures for Success™

- Put the best research into practice in your classroom
- Use cutting-edge structures that promote success
- Boost your students' achievement through practical, classroom-proven structures
- Make your lessons come alive
- Use strategies to reach all your students
- Make learning more fun for everyone

Improve Your Class Climate

- Create a caring, cooperative classroom through energizing classbuilding activities
- Foster belonging for students of all ability levels
- Have fun with your students with indoor and outdoor cooperative sports and games
- Promote full-class cooperation with scoring and recognition systems
- Establish a classroom environment where everyone wants to be—including you

Manage Your Class for Success

- Make your room run smoothly, and your teaching day go easier with 'Hot Tips'
- Engage students and avoid classroom disruptions
- Turn around your difficult students
- Go home with more energy after each day
- Reduce discipline problems
- Save time with proven management ideas
- Arrange your class to maximize success

Build Your Students' Social Skills

- Teach your students the skills they really need to succeed in school and throughout their lives
- Promote caring, kindness, empathy, respect, and responsibility without separate lessons
- Develop your students' character in the context of learning together
- Improve student relations in your class and beyond

Form Successful Learning Teams

- Create and manage teams in your class where Together Everyone Achieves More
- Learn a better approach than simple group work
- Transform your lessons into engaging, interactive learning events that guarantee success
- Release the power of true cooperative learning
- Apply the '7 Keys' to make it work for you

Supercharge Learning

- Motivate your students to learn even the boring stuff, with structures that work
- Watch your students delve deeper into the curriculum than you ever thought possible
- Enhance your students' mastery and achievement
- Implement incredible memory techniques
- Generate higher-level thinking among all students

Make Projects Cooperative

- Turn group projects into cooperative projects
- Hold all students accountable
- Engage ALL students

All Participants Receive

- *Cooperative Learning* Book and Course Workbook
- Certificate of Completion
- Option to shop at an onsite book and product display
- 2 units of continuing education credit (At an additional fee of \$85/unit. Price subject to change.)

Elderwood Room
Visalia, CA 93291

Time

8:00 am Check-in
8:30 am–3:45 pm

Participants Rave!

“All of the content is interesting, relevant, and valuable. I am so excited about all of the new wonderful ideas. I appreciated the research to back it up and the helpful ways to remember everything.”

— Katrina J. Burse, Teacher, Grade 1

“Excellent, practical content provided. Everything taught this week can be applied to everything I teach. I’m ready to go with it the day I walk in the room, no previous prep time is needed.”

— Jan P. May, History & Reading Teacher, Grade 5

“Amazing and powerful! I can’t wait to go back and use this with all of my students this fall. I truly believe that I will see a major difference in my classes.”

— Jessica Tenney, Science, Grades 9–12
