(laptop or tablet)

# Tulare County Office of Education

Jim Vidak, County Superintendent of Schools

English Language Proficiency  
Assessments for California

Tulare County Office of Education is proud to announce additional ELPAC trainings in an effort to support local districts. This is a mandatory training for each LEA who will be administering the new ELPAC. Representatives from all LEAs, including those trained for the Summative Field Test administration in the fall of 2017, must also attend one of the trainings below. All LEA and/or county staff who intend to provide a regional training must also attend this training before conducting their own. The training will follow a "training-of-trainers" model, designed so that attendees can provide in-person training to their own LEA.

A portion of the training day will be divided into two groups: kindergarten through grade 5 in one room and grades 6 through 12 in another room. It is recommended that you plan accordingly and bring one trainer for the lower grades and one trainer for the upper grades, if applicable.
