Bring Your Own Device  
(laptop or tablet to  
access resources)

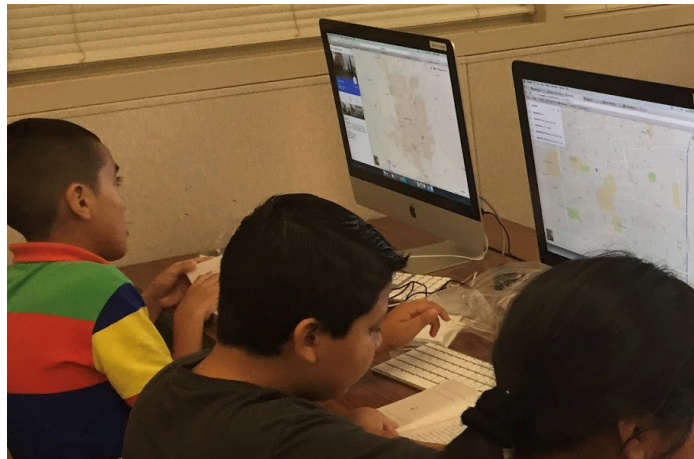

**Fresno Pacific Units offered**

Content standards, formative & summative assessment, pedagogy, and technological devices/apps.

How do we put it all together in a way that enhances learning for grades 3-5?

Topics addressed include:

- Best practices for classroom management of devices, login procedures, & digital citizenship.
- Technology platforms/apps to document student learning and promote metacognition.
- Formative assessment tools to fuel targeted instruction that meet individual needs.
- Technology enhanced strategies to foster personalized learning & universal access to content.
- Strategies to infuse computer science concepts & practices into core content.
- Techniques to leverage video to enhance communication & collaboration.
