

Title III Symposiums

2011-2012

~~~~~Featuring Alfredo Schifini, Ph.D.~~~~~

Alfredo Schifini, Ph.D. Dr. Schifini assists schools across the nation in developing comprehensive language and literacy programs for English learners. Through an arrangement with California State University, Pomona, Dr. Schifini currently serves as program consultant to two large teacher-training efforts in the area of reading for students learning a second language. His research interests include early literacy, language development, and the integration of language and content-area instruction.

The purpose of these symposiums is to provide districts input for quality ELD, instruction; program management; assessment; and instructional materials
