- b. that incapacitates a member of the receiving employee's immediate family, which incapacity requires the employee to take unpaid time off from the work for an extended period of time to care for that family member and
- c. which would create a financial hardship for the receiving employee if he/she were required to take extended time off work because he/she has exhausted all of his or her sick leave and other paid time off.

 - 12.10.2.5 Employees may not revoke their donation of leave credits. Nevertheless, donated leave not utilized by the receipt prior to return to service shall be returned to the donor.
- 12.10.3 The maximum days allowed to be utilized by one employee shall not exceed the number of days in their normal annual work year.
- 12.10.4 Employees who are granted the use of donated leave days shall be considered to be in regular paid status and will continue to earn and accrue all contractual and statutory benefits.

In certain circumstances, the employee may be required to provide recertification of his or her serious health condition (e.g., when the duration and/or need for the leave is uncertain). Failure to obtain medical recertification when required may delay the granting of the leave request until such certification is provided.
- 12.11.5 Where advance notice is possible, an employee must provide thirty (30) days advance written notice of the need for the leave. 25.1 Application: This procedure applies to the dismissal or suspension during the school year of certificated employees whose probationary period commenced during or after the 1991-92 school year.

25.2 Definition: For purposes of this procedure, a work day is defined as a day when the administrative offices of the Office are regularly open for business.

25.3 Notice of Dismissal or Suspension:

25.3.1 A Notice of Dismissal or Suspension shall be given at least thirty (30) days prior to the stated effective date of such action and no later than March 15 of the employee's second probationary year.

25.3.2 The Notice of Dismissal or Suspension shall state the reasons for such action and shall state that the employee has the right to appeal.

25.4 Suspension:

25.4.1 Suspension may be proposed or determined for a specified period of time.

25.4.2 Suspension is without pay and for a stated number of work days and may be initially proposed by the Office, recommended by the hearing officer or determined by the County Superintendent of Schools.

25.4.3 When suspension is initially proposed by the Office, no more severe penalty may be recommended by the hearing officer or determined by the County Superintendent of Schools.

25.5 Grounds:

25.5.2 The second ground or basis for dismissal or suspension is any one or more of the causes specified in Education Code section 44932.

The employee must file a written request for hearing within fifteen (15) calendar days of receipt of the Notice of Dismissal or Suspension. Filing means receipt in the County Superintendent of School's office designated no later than regular close of business on the last day of filing period. Failure to file such request in a timely manner shall be deemed a waiver of the right to a hearing, and the proposed action shall be effective upon action by the County Superintendent of Schools without notice of hearing.

25.7 Conduct of Hearing:

25.7.1 Whenever a hearing is requested as provided above, the County Superintendent of Schools shall decide, in his/her discretion, whether to conduct the hearing without the assistance of the Office of Administrative Hearings, or to contact the Office of Administrative Hearings for the services of an administrative law judge appointed by that office to conduct the hearings.

The conduct of the hearing, whether presided over the County Superintendent of Schools or by an administrative law judge, shall be in accordance with the rules and procedures set forth in the Administrative Procedure Act (Government code sections 11500 and following).

If the County Superintendent of Schools decides not to approve an adverse decision or decides to modify a decision, he/she must read the transcript of the proceedings, review the exhibits, listen to arguments, and state his/her reasons for disapproval or modification of the decision of the Administrative Law Judge.

ARTICLE XXVI: LAYOFF, RE-EMPLOYMENT & REDUCTION OF HOURS

26.1 Classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, seniority within the class shall be determined by length of service. If it becomes necessary for the Office to terminate the employment of any employee because of a reduction in the work force, lack of funds, or other involuntary reasons, layoff procedures will be followed and sixty (60) calendar days notice shall be given the employee. A termination interview with the Human Resources Department may be scheduled during normal work hours. Seniority will be determined as stated in Article 5.4.1.

- b. Whenever, because of lack of work or lack of funds, it becomes necessary to layoff permanent and/or probationary employees, such layoffs shall be conducted in accordance with procedures set forth in Education Code Sections 45298 and 45308. The names of employees laid off shall be placed on re-employment lists in the reverse order of layoff and such eligibility shall continue for 39 months from the date of layoff.
- c. No permanent or probationary classified employee shall be laid off from any position while employees serving under short-term employment are retained in positions of the same class.
- d. A short-term employee may be separated at the completion of an assignment without regard to the procedures set forth in this Article.
- e. Probationary and permanent employees shall be notified in writing at least sixty (60) calendar days prior to the date of layoff and the notice shall contain the reason therefor.
- f. In lieu of being laid off, an employee may elect demotion to any class with the same or lower maximum salary in which he/she had previously served under permanent or probationary status.
 1. To be considered for demotion in lieu of layoff, an employee must notify the Manager, Human Resources in writing of such election not later than ten (10) calendar days after receiving notice of layoff.
 2. Any employee replaced by such demotion has the same option of demotion afforded by this rule as if a position had been abolished or discontinued.
 3. Any employee demoted pursuant to this rule shall receive the maximum of the salary range in the class to which demoted provided that such salary is not greater than the salary he/she received in the higher classification at the time of demotion.
 4. In all cases where employees accept demotion in lieu of layoff, their names shall be placed on re-employment lists for the classes from which they were demoted.

5. All service in the classification plus higher classifications in the line of promotion shall count as seniority within the classification. Seniority shall be based on the employee's date of hire rather than the number of hours worked.
 6. An employee on a re-employment list may decline one (1) offer of re-employment in former class and status.
 7. If the employee accepts re-employment, the employee must report to work within ten (10) working days.
 8. Refusal of an offer of short-term or limited part-time employment shall not affect the standing of any employee on a layoff list.
 9. Employees on re-employment lists shall be eligible to compete in promotional examinations for which they qualify.
- 26.3 Any reduction in assigned time shall be accomplished through negotiation and in accordance with this Article.
- 26.3.1 All employees' seniority will be based on hire date. Employees in the same classification who are hired on the same date shall lot draw at the time of orientation to determine placement on the seniority list.

ARTICLE XXVII: DURATION

- 27.1 This Agreement shall become effective September 1, 2015 and shall continue in effect to, and including, June 30, 2018. The parties may reopen negotiations during the interim years of the contract on the issues of salaries, benefits plus one additional article.
- 27.2 By February 1 of each contract year, the Office and CSEA will meet to share goals and objectives for the subsequent year's negotiations. Meetings will be held prior to establishing the ensuing years funding requests. After April 1, of each contract year, the Office and CSEA will meet to share goals and objectives related to the compensation structure of the Teacher job classification.
