

## Pupil in Foster Care Defined

### California Education Code

51225.2. (a) For purposes of this section, "pupil in foster care" means any child who has been removed from his or her home pursuant to Section 309 of the Welfare and Institutions Code, is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code, or has been removed from his or her home and is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code.

(b) Notwithstanding any other law, a school district and county office of education shall accept coursework satisfactorily completed by a pupil in foster care while attending another public school, a juvenile court school, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and shall issue that pupil full or partial credit for the coursework completed.

(c) The credits accepted pursuant to subdivision (b) shall be applied to the same or equivalent course, if applicable, as the coursework completed in the prior public school, juvenile court school, or nonpublic, nonsectarian school or agency.

(d) A school district or county office of education shall not require a pupil in foster care to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the school district or county office of education shall not require the pupil to retake the portion of the course the pupil completed unless the school district or county office of education, in consultation with the holder of educational rights for the pupil, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the pupil in foster care shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course.

(e) A pupil in foster care shall not be prevented from retaking or taking a course to meet the eligibility requirements for admission to the California State University or the University of California.

49069.5. (a) The Legislature finds and declares that the mobility of pupils in foster care often disrupts their educational experience. The Legislature also finds that efficient transfer procedures and transfer of pupil records is a critical factor in the swift placement of foster children in educational settings.

(b) The proper and timely transfer between schools of pupils in foster care is the responsibility of both the local educational agency and the county placing agency.

(c) As soon as the county placing agency becomes aware of the need to transfer a pupil in foster care out of his or her current school, the county placing agency shall contact the appropriate person at the local educational agency of the pupil. The county placing agency shall notify the local educational agency of the date that the pupil will be leaving the school and request that the pupil be transferred out.

(d) Upon receiving a transfer request from a county placing agency, the local educational agency shall, within two business days, transfer the pupil out of school and deliver the educational information and records of the pupil to the next educational placement.

(e) As part of the transfer process described under subdivisions (c) and (d), the local educational agency shall compile the complete educational record of the pupil including a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil's plan adopted pursuant to Section 504 of the federal Rehabilitation Act of 1973 (29 U.S.C. Sec. 794 et seq.) or individualized education program adopted pursuant to the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

(f) The local educational agency shall assign the duties listed in this section to a person competent to handle the transfer procedure and aware of the specific educational recordkeeping needs of homeless, foster, and other transient children who transfer between schools.

(g) The local educational agency shall ensure that if the pupil in foster care is absent from school due to a decision to change the placement of a pupil made by a court or placing agency, the grades and credits of the pupil will be calculated as of the date the pupil left school, and no lowering of grades will occur as a result of the absence of the pupil under these circumstances.

(h) The local educational agency shall ensure that if the pupil in foster care is absent from school due to a verified court appearance or related court ordered activity, no lowering of his or her grades will occur as a result of the absence of the pupil under these circumstances.

(i) For the purposes of this section, "pupil in foster care" means any child who has been removed from his or her home pursuant to Section 309 of the Welfare and Institutions Code, is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code, or has been removed from his or her home and is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code.
