**Instruction/Information**

The county superintendent or designee shall ensure that all of its students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behaviors constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence

2. A clear message that students do not have to endure sexual harassment under any circumstances

3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained

4. A clear message that student safety is the county office’s primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved

5. Information about the county office’s procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made

6. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable

**Disciplinary Actions**

Any student who engages in sexual harassment or sexual violence at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Any staff member found to have engaged in sexual harassment or sexual violence toward any student shall be subject to discipline up to and including dismissal in accordance with applicable policies, laws and/or collective bargaining agreements.

**Record-Keeping**

The county superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the county office to monitor, address, and prevent repetitive harassing behavior in county office programs and schools.
