

Blockbuster

4-minutes maximum

Scoring Guide

Virtually all Hollywood blockbusters follow the same structure: character development, conflict, and resolution. Students will mimic this structure by creating a **4-minute Blockbuster**, which includes these elements to tell an engaging story. Videos should be original with creative storylines and strive to keep the viewer engaged for the full length of the video.

Points Possible	Criteria
20	Film is an original, creative idea with a driving storyline that is exciting for the viewer
