## **SUPERINTENDENT'S MESSAGE**

On behalf of the Tulare County Board of Education and the Tulare County College Night Committee, I want to thank you for applying for the Tulare County College Night Scholarship. This program has been founded on the core value of the College Night event. For more than 20 years, Tulare County College Night has afforded students ongoing access to information on higher education, college financing, academic testing and more. So, too, the Tulare County College Night Scholarship provides recipients with ongoing access to a college or university by renewing itself for up to four years.

The Tulare County College Night Scholarship is designed to reward students who demonstrate both academic and personal success. We want to hear about the challenges you have encountered, your accomplishments in and out of the classroom and your professional goals. It is our objective to assist students – who possess fine academic credentials, creativity, initiative and vision – along the path to a four-year degree.

Thank you again for applying for the Tulare County College Night Scholarship. We wish you much success as you pursue your degree. Along the way, if we can help with information on continuing your education, please contact us!

Sincerely,  
Jim Vidak, Tulare County Superintendent of Schools
