Karol Alvarado

Grade: 6

School: Heritage Elementary School,
Tulare City Elementary School District

Pillar: Trustworthiness

Comment: Heritage staff say, “Karol can be relied on to carry out her roles in student leadership. Each day, she leads morning announcements for the whole school. Karol quickly checks in for attendance then runs to the office to practice what she has to say so that she can speak confidently over the PA system. Her consistency and reliability extend to the classroom. She can be counted on each week to complete her assignments, participate during lessons, and follow directions in class. There was a first-grade student in need of a partner for Poetry and Prose and Karol agreed that she would do it with her. Karol worked quickly to memorize the poem and come up with gestures. She did this all on her own. Karol can always be trusted to help others, to be honest, and to be hardworking.”
