# Teagan Withnell

Grade: 6

School: Heritage Elementary School,
Tulare City Elementary School District

Pillar: Citizenship

Comment: Heritage staff say, “Teagan always looks for ways to help and support those around her. When another student started a program to help our school, called Habitat Hawks, Teagan was quick to participate. She helps pick up jackets that have been left out on the playground, as well as any trash. In the classroom, when she works with a group of students, she encourages everyone to contribute and try their best. She is relied on as an important member of student leadership, helping to sell ice cream, make posters, and run various student activities. Teagan tries to get involved in numerous activities at our school, participating in our school play, Poetry and Prose, Reading Revolution, and student leadership. Outside of school, she is active in Girl Scouts, jiu jitsu, soccer, and her church just to name a few. I know as she grows up, she will continue to positively contribute to her community.”
