

## Santiago Gutierrez

Grade: 2

School: Frank Kohn Elementary School,  
Tulare City Elementary School District

Pillar: Fairness

Comment: Kohn Elementary staff say, “Santiago has the maturity and responsibility of a much older child. In small groups, he is very good at making sure everyone has equal opportunities. For example, when the group was reading, he made sure everyone had taken a turn and read. Working at his table, he makes sure that everyone has the needed materials, even if it means he doesn’t have them. He’s an amazing person and we can all learn how to be fairer in our own actions from his example.”
