School: El Diamante High School,
Visalia Unified School
District

Pillar: Citizenship

Comment: Nominator Coach Ruby says, “Marley is an amazing student athlete who has changed the culture of our swim team at El Diamante High School. She comes to practice every day, prepared, ready to work hard, and most importantly with an infectious positive attitude. Over the course of her four years and especially through the pandemic, she never wavered in her commitment to the team, her goals, and excellence in everything she does. She is our team captain, and no coach could ask for a better leader or role model. She has raised the standard of what is expected of a team member by demonstrating those values every day. She makes everyone around her feel valued, included, and a part of the team, and she is the first one to celebrate her teammates successes. She is a joy to be around, and it has been an honor to watch her grow into such an outstanding young woman.”
