NOW!

This event is open to middle and high school students in Tulare County. The Anti-Bullying Symposium will feature a full day of breakout sessions on topics to engage students in improving campus culture. The theme this year is resilience. Our keynote speaker is Darryl Bellamy!

As a keynote speaker, Darryl is known for his engaging, interactive style, making fear easier to understand and work through. His talks inspire FearLESS moments — times when people step outside their comfort zone and take bold action. His work has helped thousands worldwide reframe fear as a tool for growth rather than a roadblock and develop the mindset needed to adapt and lead in an uncertain future.
