

10th Annual Counselor Conference

Our counseling community serves as the foundation for student success - planting seeds of hope, fostering resilience, and guiding young minds toward meaningful paths. In 2027, we gather to celebrate 10 years of collective impact and focus forward on the next generation of learners.

We hope to support your work as you continue:

Planting Seeds

Inspiring purpose and unlocking potential

Fostering Growth

Cultivating resilience, belonging, and lifelong learning

Shaping Student Success

Empowering students to thrive through guidance, connection, and opportunity

Keynote: Lyndsay Morris

Lyndsay Morris, M.Ed., is the founder of Generation Wellness and the #1 Amazon bestselling author of *Teach the Brain, Change the World*. A former teacher and school counselor turned inspirational speaker, she is known for engaging, interactive keynotes that are the opposite of a "sit-and-get." Lyndsay equips school staff with practical, brain-based tools they can use immediately to strengthen connection, increase engagement, and decrease behavior referrals. Since 2013, her work has reached more than 500,000 students, staff, and families worldwide.
