

School Library 101

CREATION & IMPLEMENTATION

How to develop a future-ready school library program

with Debra Lockwood
ERS Library Media Supervisor

This training series is designed to support staff members new to school library services as well as those who have worked in the library for years.

Topics covered:

- Making a school-wide impact
- Student engagement
- Collection development
- Vendor relationships
- Best practices for weeding
- Reports & data collection

Participants will receive a certificate of completion.
