ESPORTS COMMUNITY OF PRACTICE

Building the Future of Esports in Tulare County Schools!

This inaugural meeting marks the first gathering of educators to launch a regional esports hub. Designed as an informational session, the event will introduce the purpose and vision of building a connected esports community across Tulare County.

Attendees will explore and share best practices, receive guidance for starting or growing programs, and begin planning inter-school scrimmages and competitions. The ultimate goal is to unite local educators and lay the groundwork for a strong, collaborative esports network in education.
