

Getting Reading Right

Build a community of like-minded educators!

OUR AIM

- Build educator knowledge on the research behind what works for ensuring student literacy proficiency
- Center knowledge on the Simple View of Reading and Scarborough's Reading Rope
- Hone Tier I and 2 literacy instructional practices to get all students reading
- Build secondary educator knowledge on the research behind addressing reading deficiencies in older students
- Learn best practices for filling reading gaps while also building strong Tier 1 & 2 instructional strategies
- Address specific reading issues in age-appropriate ways without relying on scaffolds as "band-aids"

WHO SHOULD ATTEND

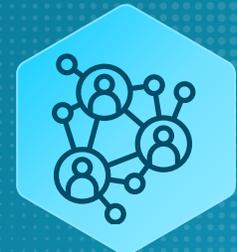

- K-12 Teachers
