2025 Mathematics Instructional Materials Adoption Toolkit Training

**Empower your district's math adoption process
with clarity, collaboration, and confidence.**

Join us for an interactive training designed to support district and site leaders, instructional coaches, and educators in navigating the 2025 Mathematics Instructional Materials Adoption.

This session will introduce participants to a toolkit that includes:

- ☒ Guidance for evaluating instructional materials
- ☒ Alignment with the 2023 California Mathematics Framework and state criteria
- ☒ Tools for supporting all students, including multilingual learners

This training will equip you with the resources and insights needed to make informed, student-centered decisions.
