Math Routines in Action: Building Thinkers in K-5

Transform your math instruction with powerful math routines!

Shift from memorization to understanding by implementing consistent daily math routines. You will learn how to help students recognize patterns and relationships while fostering a high-energy, collaborative environment. Leave with a toolkit of ready-to-use activities that spark curiosity and confidence.

The 8 Math Practices:

From theory to routine, align your daily instruction with the standards for mathematical practice. This session examines how structured routines facilitate student reasoning and complex problem-solving.

Why Attend?

Hands-on Learning: Experience interactive math routines you can use right away.

Research-Based Strategies: Gain practical guidance grounded in best practices.

Collaborative Community: Share ideas and learn alongside fellow educators.
