## New Teacher Math Bootcamp

Gear up for the first day of school! This high-intensity workshop is designed to equip new teachers with the tactical skills needed for effective math instruction. Leave the nerves behind and walk into your classroom with a clear mission and the confidence to lead from the very first bell.

### Learning Outcomes

- Cultivate growth mindsets to enhance instructional impact and students' math identities
- Implement research-based math practices to engage all learners
- Build confidence in using curriculum and planning purposeful lessons
- Establish strong classroom routines that maximize learning time
