Important: Is your child bringing prescription or nonprescription medication to SCICON? Yes ______ No ______.
If "Yes", then you must complete Section II of this form. We cannot administer any medication (including prescription, nonprescription, vitamins, or herbal remedies) you send for your child without completion of Section II.

SECTION II TO BE COMPLETED BY CHILD'S PHYSICIAN

Prescription and Nonprescription Medications (from home)

If your child regularly takes prescribed medication, and/or nonprescription medication, other than those listed above, and if you want your child to receive medication at SCICON, it is necessary that the medication request form be completed and signed by you and your physician. Additional medication request forms may be obtained by contacting your child's teacher.

The SCICON nurse will keep all prescription and nonprescription medications locked in the Health Center and will dispense them as prescribed. **Prescription and/or nonprescription medications cannot be given unless they are in their original container. Medications must be labeled with student's name, teacher, school, and precise dosage instructions.** Only asthma inhalers and other appropriate emergency meds may be kept in the student's cabin. Do not pack medications (including inhalers) in child's luggage. The teacher will collect it before the trip. Students (or student's aid) will carry rescue medications on them after the nurse checks them in.
